Location is your focus...a terrific town with great schools...convenient for a Manhattan commute...a quiet cul-de-sac...a private setting that backs to lovely woods with a reservoir beyond, forever protecting that space...it's all here! There is gorgeous, mature landscaping too. Sit out on the deck and soak up some serenity as you listen to the waterfall - or make it a party here in your private oasis. Inside you'll find a comfortable elegance that you'll be happy to call home with a newer designer kitchen open to the family room and wonderful backyard views. The first floor also has an office and a full bath that could be used as an au pair suite. Hardwood floors upstairs too (some bedrooms carpeted on top). Beautiful, luxurious master bath. A super home with great space. Pick out your favorite paint colors to make it all yours!
